3rd AFRICAN CONFERENCE ON PRECISION AGRICULTURE

3-5 • December • 2024

MAIN CONFERENCE SITE:
Kigali, Rwanda

AfCPA 2024

Call for Papers

The **African Conference on Precision Agriculture** seeks to highlight new advances in the fields of experimental and applied precision agriculture.

> "Precision Agriculture is a management strategy that takes account of temporal and spatial variability to improve sustainability of agricultural production."

The abstract submission period is now open for oral, poster, or virtual presentations!

Abstracts must be within 300-500 words with no figures, references, or tables. Refer to our list of topics of interest below for guidance. Abstracts will be reviewed for suitability based on scientific content and clarity.

Authors of accepted abstracts will be entitled to present at AfCPA 2024 after payment of registration fees. They will also be entitled to submit full papers for the Conference Proceedings.

THE DEADLINE FOR ABSTRACT SUBMISSIONS IS 15 MAY 2024.

Questions on abstract submissions can be sent to info@paafrica.org.

TOPICS OF INTEREST

- Adoption of Precision Agriculture
- Artificial Intelligence (AI) in Agriculture
- Business Models for Precision Agriculture in Africa
- Climate Smart Agriculture
- Data Management
- Decision Support Systems, Software and Mobile Applications
- Economics of Precision Agriculture
- Education and Engagement in Precision Agriculture
- Geospatial Data and Mapping
- On-Farm Experimentation
- Policy Support Innovations
- Precision Livestock Management
- Precision Nutrient Management
- Precision Planting/Harvesting
- Remote and Proximal Sensing
- Robotics, Automation, and Small Farm Mechanization
- Small Holders and Precision Agriculture
- Social Science Applications in Precision Agriculture
- Water Management for Precision Agriculture

Submit your abstract at:
